

Thank you for purchasing Blackbox two-way radios! Although the new "+" radios have well overtaken the sales of the previous Blackbox radio model, there remain thousands of the old model in the field. Those warranties are either expired or due to expire.

Klein Electronics, Inc. is now offering 1-Year Warranty* Packages for those old radios! Packages include a kit with a sheet of special, non-transferrable stickers that you adhere to the radio. No tracking of serial numbers or locating old invoices! Plus, you can keep the stickers as an item for sale or on-hand to chose which radios to apply them to.

Prices:

- **1 Radio Package -\$ 30.00**
- **10 Radio Package -\$ 150.00**
- **25 Radio Package -\$ 250.00**
